FOR IMMEDIATE RELEASE

Crossroads Shelter to Remain in the Building belonging to Christ's Evangelical Lutheran Church

BEAVER FALLS, PA (August 26, 2016) - In a rapid and surprising turn of events, the city of Beaver Falls has extended its deadline ordering Crossroads Shelter to vacate the basement of the church building, until April 30, 2017.

A Service of Thanksgiving will be held at 6 p.m. on Sunday, August 28. The service will begin on the sidewalk in front of the park next to the Carnegie Free Library of Beaver Falls (1301 7th Ave, Beaver Falls, PA 15010). ***This service is in lieu of the previously scheduled Service of Lamentation and Hope.***

All are invited to join in this celebration. As previously planned, worshippers will proceed along the 7th Avenue sidewalk to the shelter, located at the corner of 11th Street and 4th Avenue. Upon arrival at the church building, all are invited to continue our celebration with light refreshments.

Since the shelter's beginning, the congregation has served as a partner in providing emergency shelter to homeless men, with the shelter facilities always being located in the basement of its building. Numerous other churches throughout Beaver Falls and Beaver County are also important mission partners, providing hot meals, donations of items needed by the men, and financial assistance.

Crossroads Shelter is currently the only emergency shelter for homeless men in the county. Since its opening in January of 2011, it has given shelter, hope, and other practical assistance to nearly 500 men.
