

Dear Health and Wellness Friend,

The Ambridge Regional Chamber of Commerce is excited to announce our first annual “Bridge to Health: Living Well Expo 2016”. **The Expo will be held on Sunday, November 13, 2016, 2pm -5pm at Paramount Co-op (Former Divine Redeemer School), 233 Maplewood Avenue, Ambridge, PA 15003.**

The Mission of the Expo is *“to provide a family-oriented wellness fair focused on improving the health and well-being of the people and communities we serve; to provide information about wellness resources and about access to compassionate, quality, preventive and primary services; to promote healthy behaviors; and to provide community members with the tools they need to create a Living Well lifestyle”.*

We are asking for your partnership in providing tools that can improve the health and wellbeing of the individuals and families in our community. Our vision is to revitalize and extend lives through improved awareness and self-care. With powerful information, consumers gain the early knowledge necessary to make important decisions in partnership with their primary care physician or other wellness provider.

The Expo’s primary focus is bridging traditional health care services with an alternative holistic approach that includes exercise, proper rest and nutrition, stress/mood management, and other pathways to a healthy lifestyle. The Expo plans to offer mobile health screenings, local wellness-related vendors, healthy cooking demonstrations and taste testing, guest speakers, hands on classroom activities, door prizes, and plenty of information about health topics, self-help education, and where to find resources in Ambridge and surrounding areas.

Thank you for your generosity and support. Please feel free to contact me by voice or text at **412-370-1190** with any questions or concerns. Your support will help us provide a healthy, fun and informative day for community members of all ages.

Trish O’Brien Digliodo, Health Fair Chairman
