Additional assistance is available through local food pantries. To locate the nearest food pantry, call us at 412-460-3663 or use our pantry locator on our website, www.pittsburghfoodbank.org. Click the GET HELP button and enter your zip code to find the available pantries near you.

The GET HELP page also has information about CSFP (Commodity Supplemental Food Program), Produce to People distributions, the Summer Food Service Program, and other resources to help you and your family eat well. Our mission is to feed those in need and to mobilize our community to eliminate hunger. We are here to help.
