## **Book Drops Open Beginning Tuesday, May 26th**

---

We are taking the community and staff safety into consideration when we reopen our libraries. Services will return gradually. Since there are over 9,000 items checked out, our first step will be to accept return items through our libraries' book drops beginning Tuesday, May 26th. Due dates have been extended to June 30th.

We encourage patrons to return the items they have checked out so that these items can be placed in quarantine. The items will be checked in after the quarantine period and when it is safe for staff.

We will gradually add additional services. Updates of our services will be provided on our website [www.beaverlibraries.org](http://www.beaverlibraries.org) and our libraries' social media.

**Thank you for your understanding!**
